

Ms. Abraham's, Ms. Cooksey's, Mrs. Darch's and Mrs. Stroh's Class Newsletter — February 2, 2018

Discovery is to obtain knowledge through study and research.

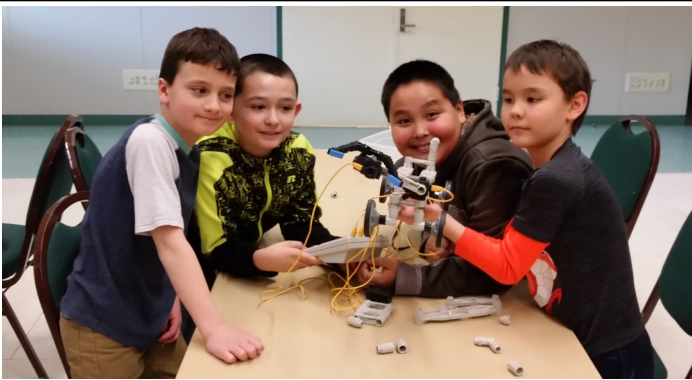

Parent Teacher Conferences
are next week.

Early Release on
Wednesday at 2:10

Please take some time to look at the Instrument Plan Sheet we sent home this week. This plan sheet is the "blueprint" your child will use to create an instrument out of recycled/repurposed items. As soon as you gather the materials, please send them to school as we will begin working on the instruments soon.

**No Homework or
Spelling next week.**

If you are interested in volunteering in the classroom or on any study trips this year, you will need to complete the parent volunteer training on the KSAS website. There are two parts: complete the background check which is part of the volunteer application for KPBSD and the KSAS specific training related to our school. If you're planning to volunteer for a trip, all forms must be returned 48 hours prior to the trip. If you would like to work in the classroom, please contact your child's teacher. Volunteers are always valued!

Parent Communication

We think parent-communication is extremely important! If you feel the need to speak with any one of us, always feel free to email us: jdarch@kpbsd.k12.ak.us, scooksey@kpbsd.k12.ak.us, kabraham@kpbsd.k12.ak.us or kstroh@kpbsd.k12.ak.us or call at the school (907) 283-0804 and we can set up a conference.

Important Dates

- February 5 — Bingo for Books 6:00 pm
- February 5-9 — Book Fair in Library
- February 7— Early Release 2:10 pm
- February 7- 9 — Parent Teacher Conferences (no school for students)
- February 14 — PTA Meeting 9:15 am
- February 15 — Volunteer Appreciation Luncheon 12:15 in the Library
- February 16 — Enrollment Questionnaires due
- February 22 — Ice Fishing for all 3/4 classes

This week we...

- Explored different strategies for solving multi-digit multiplication problems and converting milliliters to liters in 4th grade math.
- Learned about linear measurement, perimeter and area in 3rd grade math.
- Investigated how the pitch of a sound changes with different tensions in Science with Mrs. Harper.
- Learned a dance and barred instrument arrangement for the song "Tideo" in Music with Mrs. Cady.
- Students in Stroh's and Darch's classes went to Challenger Center for a mission.

Next Week's Lifelong Guideline : "Pride"
Satisfaction from doing one's personal best.
