**April 6, 2018**

## This Week in Kindergarten...

We will continue an earth science unit and explore rocks, soil, sand, and silt. In literacy, we will continue to develop sentence structure and sight word recognition. We will also welcome our guest artist, Shala Dobson, who will lead the students in constructing puppets! It will be a great week!

## Home Links:

- Practice Quarter 2, 3, and 4 sight words.
- Review the Lifeskills on the back of this page. How do you show each in your daily life?
- Homelink 8-3 Collections of Number Names

## REMINDERS...

### BREAKING UP IS HARD TO DO...

Yes, it is spring break up time...yuck!

We will be venturing out on the nature trail and continue to have our daily recess time. Please help your child have a comfortable time learning and playing at school by packing appropriate gear for the weather. It changes day to day this time of year! Please label gear!

## DATES TO REMEMBER

**April 9-11, Spring Kindergarten Visitations** (incoming students will visit our Kindergarten classrooms)

**April 9- April 19, Special guest artist, Shala Dobson** visits to integrate visual arts and collaborate with KSAS, we will need volunteers to help prepare materials prior to and during her visit. Let us know if you can help!
