This week in Kindergarten...

We will continue our exploration of the sky, clouds, and weather. Students will engage in self-reflection as we prepare for our Parent/Teacher/Student Conferences. As our explorations of the sky come to a close, we will work on creating a Sky Book, which will serve as a culminating reflection of our learning. The following week will be filled with weather explorations. It will be a great week!

Exploring the Space Station at the Challenger Center

Home Links:

- Read the Family Letter with your child about the lifeskill of "Pride".
- Practice Quarter 2 and 3 sight words.
- **Does your child know ALL letter names and sounds? Practice every day!**
- Practice writing CVC words (consonant, vowel, consonant words like cat, pig, log, etc). Ask your child to show you how they "stretch out" these words using their arm!
- Work on your "Sky Journal" that is due Monday Feb. 5.

Thank you so very much for attending our Kindergarten Connections Night! It was a wonderful night!

REMINDERS...

Please remember to leave toys, games and other distracting items at home.

PARENT/ TEACHER/ STUDENT CONFERENCES...

Please review your child's conference day and time. Please make arrangements to attend this valuable conference. We look forward to sharing with you!

There will be no newsletter next week!!
