This week in Kindergarten...

We will finish our study of Alaskan Animals through a study trip to Kenai National Wildlife Refuge and an integrated project called Spirit Masks. We will finish the end of quarter assessments and reflect on our learning this quarter. Upon our return from Spring Break, we will begin a Physical Science Unit and focus on Shel Silverstein Poetry in literacy. It will be a great week!

Students experiment with different ways to melt an ice cube.

REMINDERS...

WINTER GEAR

Please bring all winter gear to school each day. In addition to daily recess, we do a lot of science inquiry on our nature trail. Please help our students have a comfortable time learning in all of their snow gear.

STUDY TRIP

On Thursday, March 8 from 9:30- 11:10, we will go the Kenai National Wildlife Refuge for a study trip. Volunteers must be approved and all forms must be turned in by Monday, March 6 in order to be processed in time for our trip. Volunteers must arrive to school at 9:15 for an orientation and be prepared to drive their own car.
