

KSAS Weekly August 24-28, 2015

Attendance Matters

If your child will be absent from school or arriving late, please call by 10:30 a.m. Otherwise, we will call to confirm your child's presence in school to keep attendance records accurate. Also, if plans have changed for pick-up, please let us know by 2:00. Our number is (907)283-0804.

Volunteers

If you would like to be a volunteer, be sure to complete your background check. Go to <http://kaleidoscope.blogs.kpbsd.k12.ak.us/wpmu/volunteers> and click the link to the background check. The next link on the page will take you to the Online Volunteer Training for those who were unable to attend the in-house training last week. These 2 steps must be completed in order to volunteer at Kaleidoscope. Volunteers make all the difference and are very appreciated!

Partners with Love Inc.

We are fortunate to be supported by Love Inc. Volunteers selflessly give of their time from 8:35-9:00 to serve a cup of cereal with milk to students who may not have had breakfast. Please note that this is offered to support all students having something to eat for breakfast prior to starting the school day. It is best if children can eat before coming to school as this is a voluntary program. Thank you for making sure your child is ready for school each day.
