

Miss Branson and Miss Short's Class

Friday, November 18th, 2022

Systems: A group of objects or units combined to form a whole and to move or work together.

This Week!

5th grade continued investigating circuits and electricity with Mrs. Harper in science. We continued to practice leadership with our kindergarten buddies and as lunch helpers for the school.

We were also lucky enough to have Ms. Tronnier return for a French lesson and have the Brown Bears hockey team visit and spend some time in our classrooms this week!

Parent Communication

We think that parent communication is extremely important! If you feel the need to speak with any one of us, please always feel free to email us: ebranson@kpbsd.k12.ak.us or kshort@kpbsd.k12.ak.us or call at the school (907) 283-0804 and we can set up a conference.

Snack Donations

Please consider donating snack to our classroom when you are able. A fed body leads to a ready mind.

Lifeskill of the Week:

Organization— To plan, arrange, and implement in an orderly way; to keep things orderly and ready to use

Dates to Remember

- Nov. 21st - Canned Food Drive Begins
- Nov. 22nd—PTA Meeting @ 5pm

We love volunteers! If you are interested in volunteering, please make sure you have completed:

- Annual KPBSD background check
- Annual Volunteer Training is done at the office.
- Check with Mrs. Stacey in the office to make sure you have everything in order to volunteer prior to volunteering.
