

### Lifelong Guideline Focus:

Caring

To feel and show concern for others.

We did it! We made it through our first week of in-person school. The students are adjusting well to the new procedures and it feels great to have students back in the building.

### Required Paperwork

In your student(s) Friday Folders you received some paperwork to review. Kindly complete the necessary paperwork and return it to school with your child. If you have any questions, please contact the school at 283-0804.

### Lunch Reminders

Lunch money should be brought to the office for deposit or you can use your PowerSchool account to make deposits online. Additionally, a reminder that the Student Nutrition Services: Free & Reduced Meal Program forms need to be filled out each year.

### Chromebooks

If you were given a Chromebook or MiFi device, while we were in the RED ZONE, kindly return the Chromebook to the school, labeled with your child's name.
