Public Comment	
Board Comment	Dawn Grimm-teachers are ready for summer vacation, this year has felt longer than normal, and we are all looking forward to a restful summer break. Staff really like not having the back-to-school BBQ so that they could get home and be ready for the 1 st day of school so we will not have the back-to-school BBQ. We will hold an ice cream social/ curriculum night, volunteer training. We will look at having a volunteer orientation so that everyone knows where everything is and how to use machines.
