

Mrs. Clark's CLASSROOM

FOR the week of
10/2-10/13

10/2-10/13

NEWS

Look What We did!

We will be going to a Bi-weekly newsletter beginning this week. Just wanted to give a heads up so that you're not expecting one every week from this point forward. 😊

We are finishing up our Geology Unit for this Quarter and can't wait to share with you all that we've learned at our End of the Quarter Celebration. Please be on the lookout for more information to come home at a future date.

We are beginning to learn our multiplication facts through 5. Please work with your child at home for 0-5. (0x12, 5x12, etc).

UPCOMING INFO

10/4 Fire Safety Day Mrs. Clark's Class

10/10 APC Meeting 4pm

10/12 Picture Retake

End of Quarter Celebration

Early Release 2:10

10/13 No School- Teacher Inservice Day

10/16 PTA Meeting 4PM

Thank you for the snack donations! Little bellies can focus on working hard here at KSAS. We are beginning to run low, so if you're able to donate, we'd appreciate your gracious consideration.

Lifelong Guideline and/or Life-skill of the Weeks: Common Sense & Cooperation

What do they mean?

- To use good judgement.
- To work together toward a common goal or purpose.
