

OUR CLASSROOM NEWSLETTER

SEPTEMBER 18TH-22ND

*Mrs. Hanson's 3rd and
4th Grade Class*

Our Learning Snapshot:

MATH:

- This week we studied rounding numbers and number lines.

LANGUAGE ARTS:

- This week we continued reading groups, and we continued studying main idea. We practiced this with non-fiction articles.

SCIENCE:

- Students continued their study of “mock rocks” and determined what type of rocks they could be classified as based on their characteristics and measurements. This week, students also had a guest speaker from the Kenai Watershed Forum, and they were able to walk to the creek.

ART:

- This week we continued our Elements of Art accordion book, and made a watercolor painting inspired by the fall leaves and changing colors.

Reminders:

After this week, our newsletters will be given on a bi-weekly schedule.

- September 29th: Early Release at 2:10 PM
- October 2nd-6th: Fire Safety Week
- October 10th: APC Meeting at 4:00 PM
- October 12th: Early Release at 2:10 PM
- October 12th: Picture Retakes
- October 12th: End of Quarter Celebration at 1:15PM
- October 13th: No School, Inservice Day

Practice at Home:

Next week's Life Skill is Caring, which means to feel and show concern for others. The following week's Life Skill is Common Sense, which means to use good judgement.
